Honorable Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Dear Sir:

Copies of all the listed disclosures are attached  
hereto. This citation is made solely for the purpose of  
giving the Patent and Trademark Office Examiner an oppor-  
tunity to make an independent review of such disclosures in  
the course of examining this Application.

It is respectfully submitted that the present  
invention, as defined by the claims in the above-identified  
Application, is patentable over the above disclosures. No  
other representation of any nature is made or intended by  
this citation.
